

You are invited

to join the City Manager for
an important Meeting with
Community Business Leaders

Learn about the City's need to transform
into a new form of government
service provider

- A government that will serve as a “platform” and provide a basic level of essential service to our customers
- A government that must rely on collaboration with residents, businesses and customers to provide additional services they feel are important for *quality of life*

WHEN: Tuesday, December 1, 2009 — 3:30 - 5:00 p.m.

WHERE: Yankee Clipper Library, 2025 Leonard NE (lower level)

No RSVP required
